ROAD BILL SUPPORT IS URGED HERE

GILMER-AKIN BILL IS PASSED

SERGEANT AT ARMS BRINGS IN MEMBERS

The controversial Gilmer-Aikin bill to revamp the Texas Public School System, was passed by the House of Representatives in Austin shortly before noon Wednesday.

The vote was 87 for and 17 against.

Members of the House who were credited with opposing the bill and who staged a walk out, or were absent from the chamber, were declared subject to arrest by the House Sargeant at Arms.

A round up of defaulting members was staged and enough were brought in for a quorum. Evidently only a limited number of the opponents of the bill were in the house but enough were rounded up to make a workable majority.

Proponents of the Bill had a field day as the vote will indicate. Recently Governor Jester refused to consider calling a special session to consider the controversial legislation.

The Bill will not go to the Governor for signature or to a Conference Committee to reconscile House and Senate Differences, if any. The Bill has already passed the Senate.

This legislation, among other things, provides for the appointment by the Governor of a State Superintendent of Public Instruction.

The bill mainly seeks to revamp the state's school system. Basicily it will abolish rural schools all over Texas and provide for concentration of school children. However, the affairs of education in the counties will be entrusted to Boards who will determine the number of schools and where they will be located.

Many school districts like Cameron has been caught napping, mainly because of the obligations that will come in the necessity to increase school facilities. Normally the enrollment in Cameron will be three or four times its present size if the bill works out as intended.

WOMAN BADLY INJURED IN TUESDAY CRASH

Mrs. Douglas F. Ables of Camp Hood received facial lasceration and a chest injury in a three-way car crash about 7:30 p. m. Tuesday south of Belton on the Lampasas highway.

She was driving a convertible which rammed the rear of a truck seconds after G. J. Duke, the truck driver was blinded by heavy rain, drove into the rear of a car stalled on a bridge.

Duke, from Dallas, said he tried to signal the car behind him to stop by flashing his brake lights. but Mrs. Ables apparently failed to see his signal and ran into the rear of the truck.

The car parked on the road was owned by Fred Torres, who had left it to look for help after it stalled in the rainstorm.

Mrs. Ables was taken to a Belton hospital where her injuries were reported as not serious. Her car was badly damaged.

Increasing accidents on Highway 190 west of Belton was causing alarm Two Texas highway patrolmen lost their lives in an accident near Nolanville Sunday night and a Camp Hood soldier was killed.

Hazardous highways 36 and 77 through Milam county have contributed to fatal accidents and minor accidents during the past few months.

$10,000 Is Paid For Road Maintainer

A road maintainer for Precinct 3 has been purchased by the Commissioners Court.

Byron Neal of Rockdale is Commissioner for Precinct 3.

At the meeting of the court all Commissioners were present as follows: T. F. Locklin of Thorndale, Byron Neal of Rockdale, C. S. Raney of Buckholts and W. W. Markham of Cameron.

TRADE SCHOOL OPENS HERE

Herald Gets Gold! Just a Sample But It Shore Looks Good

"They's gold in them thar hills," and we can prove it.

Last week Mrs. Warren D. Compher of Winthrop, Washington, mailed the publisher some samples of gold ore taken from an abandoned mine near her home. They live on Star Route out of Winthrop.

Mrs. Compher is the former Miss Annie Mikula of Cameron and has many friends here who will be glad to know that she reads The Herald each week.

Mrs. Compher says: "The gold samples I enclose came from an old mine across the road that has been closed down since 1896. The old shaft is a make shift and dangerous to approach. My brother John brought samples out this morning and may work the mine this year. It is a two mile climb straight up the mountain to the old shaft opening. A spring has just recently started running right through the shaft."

Mrs. Compher promises to send larger samples and the people here in the cotton country of central Texas rarely ever see such things outside museums. Yes, Mrs. Compher we would like to have a large hunk of gold ore, the bigger the better if you know what we mean.

Constables Won't Have to Worry Over Income Taxes

Constables in Milam county will not have to worry about income taxes, that is.

Their salaries were fixed by the court at 10 per cent above their average monthly earnings under the fee system. This amount was based on the reports they are required to file with the District Clerk under the law.

Some of the amounts being paid are ridiculously low, and in the odd and even cents.

Two Constables have not filed a report and therefore have received no salaries, one being Precinct 4 and the other Precinct 7.

Here is the list of the salaries received by Constables each month as shown on the salary book at the office of the county clerk:

Precinct 1	$19.44
Precinct 2	11.67
Precinct 3	17.38
Precinct 4	No Report
Precinct 5	7.14
Precinct 6	14.42
Precinct 7	No Report
Precinct 8	16.14

Bond Is Fixed At $5000 in Rape Case

Jimmy Smyth of Hearne who is charged with rape of a teen-age Gause girl was still in jail at Caldwell.

At a preliminary hearing in justice court at Caldwell bail in the sum of $5,000.00 was fixed by the court. According to officers here who conducted an investigation of the case Smyth had been unable to make bond because bail had not been fixed. Now that the amount has been set he is eligible for release if sureties can be found.

The offense occured on the night of March 22 a short distance east of the Milam County line on highway 36 and jurisdiction in the case went to the district of which Burleson county is a part.

Ed Gunn, County Attorney of Milam County said the case was being considered by the grand jury now in session at Giddings.

Week end guests in the home of Mrs. Jack Lewis were her children, Jack Lewis of Austin and Mr. and Mrs. Nick Brennan of Lexington.

REBURIAL SERVICES FOR LESLIE MOEHLER

Reburial services for Lieut. Leslie J. Mohler, former resident of Cameron, who was killed in action in the fighting in Germany, will be held in Smithville at 2 p. m. Thursday, April 21.

Lieut. Mohler was killed in action in January 1942 and the body was interred in a military cemetery, having only recently been returned to his home land. Services are to be held from the Marrs Funeral Home in Smithville and interment will be made in the family plot in the old cemetery at Winchester.

He was born in Winchester on January 1, 1914 and moved to Cameron with his parents Mr. and Mrs. J. F. Mohler in 1919. He attended grammar and high school in Cameron and later Tyler Business College.

At the time he enlisted in the army he was employed with an oil field supply company in Houston.

Surviving are his mother, Mrs. J. F. Mohler of Smithville and one daughter.

RIGHT OF WAY ON 77 BEING CLOSED OUT

Real progress has been made on the Right of Way for 77 and indications were the whole matter would be closed soon.

Ed Gunn, county attorney, filed a deed Friday and also obtained a deed last week from the Erath heirs. With the exception of a slight error in the field notes of another tract all deeds save one have been obtained.

Judge Tyson was well pleased also over the developments. Time is required for such things and while the people in the territory are interested in the highway, it is sometimes not readily understood what the difficulties are.

The Commissioners Court and the Highway Commission are in perfect harmony on all matters affecting roads and a sizeable program is being worked out.

On Highway 77 in Falls county a large section is still without right of way and it will be sometime before any construction can begin.

Meanwhile the court is faced with a sizeable demand on Highway 36 from Cameron to the Bell county line. The Highway Commision has asked the court to get right of way on this highway which will be straightened and rebuilt. The county has limited funds for right of way. Bell county has called a bond election to get a right of way.

COURT CHIDES PEOPLE IN TRAINS DECISION

AUSTIN, April 13—The Texas and New Orleans Railroad Co., seeking to discontinue passenger train service between Waco and Yoakum, won a victory today in the Third Court of Civil Appeals.

The Appeals Court, reversed a decision of the 126th District Court here, ordered an injunction to restrain the Railroad Commission from interferring with the discontinuance of service by T. and N. O.

The railroad company applied on June 9, 1947, to the commission for authority to stop running its train along the 171-mile line.

The commission denied the application, and its action was sustained by the District Court.

The T. and N. O. contended that its passenger train service between the two points had for several years operated at a loss and the passenger

FINE NEW PLANT FOR COLORED YOUNG MEN

Cameron Trade School has opened with a splendid enrollment of colored students.

This modern school which participates in the GI training under state and federal supervision, is located at 508 West 8th Street in Cameron and has just been completed by W. B. Brazelton who has been active in training activities for some time.

Those who have seen this school say it is one of the most modern and better equipped colored schools in the state.

Mr. Brazelton obtained a lease on this brick building from Miss Mary Belle Batte some time ago and has spent a great deal of money to make it suitable and modern for the school and in addition has equipped it with the most modern tools and machines, This school is designed to give an 18 months course in welding and is so squipped.

A major progress step has been achieved in Cameron and for this area in the completion of this new school. Mr. Brazelton has been receiving many much deserved compliments on this modern plant for promoting trades education.

The Cameron Trade school was organized in January of 1949 at Cameron, Texas for the purpose of training members of the colored race and preparing them to qualify for skilled positions in our rapidly expanding industrial Southwest.

A comprehensive 18 month course in welding is offered at the school. This course includes both acetylene as well as welding.

Ample working area, excellent lighting conditions and the most modern tools and shop equipment obtainable are to be had by students at this school. Every effort has been spent by the school staff in provid-

DOWNPOUR HEAVIEST OF THE YEAR HERE

Cameron had 4.32 inches of rain Tuesday night according to L. W. Smith, local observer for the government.

Mr. Smith said that the official gauge showed that up to midnight a total of 1.20 had fallen and up to 8 a. m. Wednesday we had 3.12 making a total of 4.32.

Mr. Smith disclosed that since January 1 the Cameron area has had a total of 18.80 inches of rain far above the average for any three months period.

Rainfall in the Temple area was light compared to the fall at Cameron. This newspaper checked for information early Wednesday. Temple had only .86 according to the Experiment Station gauge.

There were no reports available about the fall on the watershed of the Leon and Lampasas rivers, both being tributaries of Little River.

Little River was due to get out of banks here, although at 6:30 a. m. Mr. Smith said that the flood waters were still some 10 feet inside the channel.

Creeks and smaller streams were swollen and some were impassable. So far as known no damage resulted from the rain storm, although many sections of the state reported high winds and hail.

Bear Creek southwest of the city was over some of the bridges and spread its current across the bottoms of Little River, Elm Creek was also out or due to get out.

Overflow in Little River if from local tributaries would not be destructive. If flood waters are to come in from the Gabriel and Brushy Creek the River would almost certainly overflow at Cameron.

DEATH FROM POISON SELF ADMINISTERED

Mrs. Anna Harber died at 7:15 a. m. Thursday in Newton Memorial Hospital.

Mrs. Harber became ill at her home during the night and a physician was summoned. Her condition was relieved by the use of stomach pumps and she was believed to be on the way to recovery. Officers who investigated said that later in the night and after the physicians had left Mrs. Harber took another potion and was taken to the hospital around midnight where she died.

It was said that the poison may have been secreted in her purse at home and neither the physician nor family knew of its presence. She died shortly after reaching the hospital.

Justice of Peace, Womack Brashear, held an inquest and rendered a verdict of suicide.

It was said that physicians performed an autopsy and found that Mrs. Harber had taken poison, the type not being disclosed. It was also said that she had taken a second dosage at her home sometime prior to being taken to the hospital.

Mrs. Harber was the wife of Frank Harber owner of a local cafe.

Mrs. Harber was born March 13, 1900 and was 49 years old. Funeral services were pending the arrival of her children. The body was at the Marek-Burns Funeral Home and will remain there until funeral services are held.

Mrs. Harber was the daughter of Mr. and Mrs. W. E. Penney of Cameron.

Survivors are: her husband, Frank Harber of Cameron. Two sons, Curtis Duncan of Wharton and Charles Duncan, Jr. of Houston, one daughter, Mrs. Hazel Heaton of Harlingen, one brother, George Penney of Harlingen and three sisters, Mrs. Willie B. Brown, Mrs. Ruby Winchester and Mrs. Mable Williams of Cameron.

SCOUT MEET SET FOR FRIDAY APRIL 29TH

The annual Milam County Boy Scout Field Meet and Court of Honor will be held at Tiger Field in Rockdale on Friday, April 29, beginning at 2:30 p. m.

Council Officials and Scouts and their leaders from Cameron, Thorndale, Gause, Sharp, Milano and Rockdale are expected to attend.

W. P. Morgan, chairman of the campaign and activities committee, will be in charge of the Field meet which will start at 2:30 and will include the following contests: Cooking, fire building and string burning contest, first aid, fire by friction, fire by flint and steel, knot tying relay, compas, measuring, obstacle relay, three-legged race and O'Grady Drill.

Before the Field meet starts each Troop Leader will furnish the judges a list of the Scouts entering the contest. The Scouts of the Senior units will act as officials at the Field meet as directed by the judges.

Rev. Duda of Cameron will have charge of the Court of Honor, which will follow immediately after the Field Meet, and C. M. Selman, Supt. of Rockdale schools will present the awards.

All Rockdale school students from the sixth grade up will be excused from school to attend the meet.

Refreshments will be served following the Court of Honor, and the public is invited and urged to attend.

HEAVY RAIN AT SHARP

Luther McDonald of Sharp was in Cameron early Wednesday and reported heavy rains in his section of the county. The San Gabriel River was out of banks and so was The Alligator. Mr. McDonald said that the rain had washed up farm lands pretty bad and damaged other lands.

Mr. and Mrs. Jack Patchen and son of Houston were visitors in the home of Mr. and Mrs. Marvin Pratt Sunday and Monday.

Roger Todd of Gause attended to business in Cameron Monday of this week.

SENATOR VICK ASKING LETTERS FROM PEOPLE

Support for two pending bills in Congress to provide for a permanent system of matching Federal grants for the construction of rural and local roads on the county level, is being sought here by Senator Kyle Vick.

Judge Dan Tyson has received a letter from Senator Vick outlining these bills, intrduced by United States Senators John C. Stennis, Milton R. Young and Robert S. Kerr.

Senator Vick wants letters from the people of the county and these letters may be sent to him at Austin and to Judge Tyson for transmittal to the Senator.

Senator Vick feels that these bills are the most encouraging proposals yet introduced to bring more money and better farm roads to the county.

Interested especially in Milam county because of the poor condition of the roads, Senator Vick is asking that you write endorsement of these measures. He wants to forward these letters to Washington. He also requests that the people of Milam county write to Congressman W. R. Poage to Senator Tom Connally and to Senator Lyndon Johnson, asking them to support the bills.

Here is the joint letter of the three United States Senators recently received by Senator Vick:

"The undersigned have introduced in the Senate S. 244 and S. 1471, bills designed to provide a permanent system of matching Federal grants for the construction of rural roads on the county level, under procedure established by the state legislatures.

Insurance Man Gets 5 Years On Bad Check Charge At Franklin

FRANKLIN, April 13 — A jury Wednesday convicted S. B. Jones on a worthless check charge and gave him five years in prison.

His attorneys filed a motion for a new trial, and District Judge W. S. Barron set a hearing for 2 p. m. Saturday.

The state had asked that the former Hearne insurance man be sent to prison for 10 years, maximum sentence under the law.

Jones is charged in the $81,000 worthless check swindle of the First State Bank of Franklin. He was tried on one of six indictments against him on worthless check charges. The indictment on which he was tried charged him with giving the bank a bad check for $10,850.

Judge Morrison was guest speaker at the Lions Club in Rosebud Wednesday of this week .

WEST COAST HARD HIT IN MAJOR DISASTER

SEATTLE, April 13.—The worst earthquake in Pacific Northwest history brought death, fear and widespread damage today to a huge section.

Seven persons were killed. Damage ran into many millions. Numerous injuries resulted.

Buildings cracked. Bricks and glass were hurled into city streets onto heads of many of the thousands who fled the swaying structures. The quake hit at 11:55 a. m. (PST).

It hurled two houses into Puget sound from Fox island, near Tacoma, Wash. They were believed unoccupied, but the Coast Guard sent a boat to investigate.

It cracked the earth. It disrupted rail traffic for two hours between Portland, Ore., and Seattle. It was felt over a 500-mile long area of the coastal northwest, hitting hardest the Puget sound cities of Olympia, Tacoma and Seattle. Eastern Washington, Oregon and British Columbia and Northern Idaho felt it slightly.

Castle Rock, Aberdeen, Bremerton and Port Angeles were among the western Washington towns that shivered and shook during the quake. East of the Cascades the series of earth shocks was felt in Wenatchee Omak, Ellensburg, Yakima and Spokane, Wash., and on into northern Idaho. Vancover and Victoria, B. C., were on the northern fringe of the disturbance.

Sixty miles south of Seattle the capital city of Olympia took the brunt of the shock. A woman died of a heart attack; a man was smashed down by falling bricks. Tumbling bricks also killed a schoolboy in Tacoma and a collapsing corner of a school building wall crushed the life from a boy in Castle Rock, Wash. The front of a building fell on a man in Centralia, Wash., crushing him fatally.

Frances Marie Thompson, 21 months old daughter of Mr. and Mrs. Ray Thompson was painfully injured when she fell at a local store Saturday afternoon and was taken to a local hospital. Her left eye was injured but friends will be glad to know not seriously.

80 Family Units At Camp Hood Gives Needed Housing

WASHINGTON, April 14 — The military appropriations bill which the house passed late today provides for building 80 family dwellings at Camp Hood, Rep. W. R. Poage said.

Poage estimates that each house will cost approximately $14,000, although the army was careful not to give estimates of this. That would mean that approximately $1,123,000 would be spent here.

Poage predicted that more housing money for Camp Hood would be forthcoming from this congress. He said the army has a deficiency appropriation bill directed at adding to housing on military posts. Poage is quite positive that some of that money will be spent at Hood.

Camp Hood officials said Thursday they had not been notified of the benefits that army post will receive from the bill.

Dr. Gus Evans Will Take Part In Panel At Galveston April 24

Dr. Gus Evans, Jr., Cameron optometrist, will participate at forum and panel sessions on visual care, in relation to childrens' classroom efficiency and indutsrial workers' production and accident rate, during the 49th annual convention of the Texas Optometric Association, April 24-26, in Galveston.

As a member of organized optometry, Dr. Evans will take part in statewide planning for a broad education program soon to be instituted by the Optometric Association.

According to the organization of vision specialists, the program is intended to enlighten the public on community activities for encouraging greater visual care and to acquaint Texans with the do's and dont's regarding visual habits, selection of professional services and other important factors concerning vision.

Robert Gregory, son of Mr. and Mrs. James Gregory is ill and in Newton Memorial Hospital.

Otto Walker of Chickasha, Oklahoma is ill and in Newton Memorial Hospital for treatment.

WEATHER COOLER

Cooler weather was in prospect for Cameron and central Texas, resulting from the air mass that moved into the Panhandle late Monday. Rain was forecast for some areas of the state. Cameron had an east wind. A low of 50 degrees might be expected by Wednesday.

Mr. and Mrs. J. M. Treadway spent Saturday in Temple visiting her son, Cpl and Mrs. T. E. Murray.

Pfc. John L. Gurecky son of John Gurecky of Marak has graduated from the Clerk Typist Course at the USAF Technical School Ft. Francis E. Warren, Wyoming according to an announcement by Col. John C. B. Elliott, commanding officer.

Mr. and Mrs. Rowe Bright and children of Ft. Worth spent Sunday and Monday visiting their uncle, Mr. and Mrs. M. M. Bright and other relatives in Cameron.

22 MILLION WILL BE COST BELTON PROJECT

Construction of the $22,500,444 Leon river dam will start in June, Col. B. F. Robinson of Galveston army district engineer,

Bids will be advertised on the initial contract in May, said Colonel Robinson, under whose direct supervision the project will be carried out. Under the first contract, part of the dam's earth embankment will be constructed, along with an office building for supervising personnel.

The dam, located some three miles north of Belton and seven miles southwest of Temple, will be approximately 5,100 feet long, with a concrete center section and earthen "wings". Its maximum height will be 190 feet above the river's bed.

The final "taking line" or maximum elevation to which the government will acquire land needed for the project, has not yet been determined, Colonel Robinson said. The Telegram asked him that question because many land owners around the lake area have wanted to know if their land will be bought or leased by the government. Looking at the accompanying map, drawn for the Telegram by Colonel Robinson's office, it is clear that all land within the "conservation pool" level will be needed for the project, but the decision on acquisition of land beyond that level is yet to come.

The dam will be constructed of selected soils carefully placed in six-inch layers and compacted by "sheeps foot" rollers. The soil will be obtained from nearby borrow areas. The top of the embankment will be 20 feet wide. A spillway, 1,300 feet long, will be cut through the rock hill on the left abutment to provide for the release of flood waters during major floods. Normally, water stored in the resevoir will cover approximately 7,500 acres. Flood waters will be released through gate-controled outlet works located through the earthen dam. Provision is being made in the design of the project for the installation of hydro-electric power at a future date.

Only after long and exhaustive studies did the army engineers decide on the present location of the dam, Geologists made numerous borings some 200 feet deep to find a suitable watertight foundation for the embankment. Soil samples were tested in the corps of engineers laboratory in Galveston.

Construction of the multi-million dollar project will necessitate the relocation of about two miles of State Highway 36 and approximately 20 miles of county roads, as well as telephone and power lines.—Temple Telegram.

Wallace Beery's Death Mourned By Millions of Fans

BEVERLY HILLS, Calif., April 16—Wallace Beery, the movies' lovable rascal with the gravelly voice and the squash-like puss, was mourned today by millions of fans.

He slumped to his living room floor about 10 o'clock last night and died shortly of a heart ailment of many months' duration. He was 64.

Funeral services will be conducted Tuesday at Forest Lawn Memorial park, Glendale, resting place of many other movie famous.

Wally, known also as "Babe" and "Jumbo," had the second longest career in pictures. His 36 years on the screen have been exceeded only by Lionel Barrymore's 40.

Big, gruff Wally's heart-of-gold character won him a wide following. He was usually the clumsy, overgrown bad boy who more or less innocently got into all kinds of scrapes but didn't really mean to do wrong. A sly, shy look, a hand across the face gesture, and rumbing "aw shucks," were famous Beery mannerisms.

His teaming with the late Marie Dressler in "Min and Bill," and "Tugboat Annie," was one of the most successful movie combinations. He won an Academy Award for "The Champ" in 1931. He was voted by exhibitors as one of the top 10 box office attractions from 1932 through 1935, and again in 1940.

Funeral services have been set for 10:30 a. m. Tuesday, with the Rev. Ross Shafer, Presbyterian minister, in charge at the Church of the Recessional.

BAPTISMAL SERVICES

San Gabriel Baptist Church will have Baptismal services at First Baptist Church, Cameron, at 4 p. m. Sunday, April 24. The Cameron Church will alsi have Baptismal services at the evening Worship hour.

Brogdon Attending Southwestern Life Agents Meeting

S. E. Brogdon is attending the 40th annual convention of agents of the Southwestern Life Insurance Company at Houston this week.

Brogdon, local representative of the Company, qualified for the trip by reason of his record of work during the year, 1948. He has already qualified by reason of production in 1949 to attend the convention in 1950. He has made the company's honor roll nine times this year and twice he has led the Central Texas Agents in production, which includes Waco, Temple, Austin and Brownwood.

The program includes addresses by recognized leaders in the life insurance field and round-table discussions of problems of the business.

Mr. Brogdon expects to return to Cameron Saturday afternoon.

Mr. and Mrs. Presley B. Tindall of Cameron announce the arrival of a daughter born at St. Edwards Hospital, April 19, 1949. She weighed nine pounds and four ounces. The Tindall's have another daughter, Linda Gail.

LOFLIN E. HARWOOD

Appointment of Loflin E. Harwood as Director of Public Relations of Southwestern Life Insurance Company was announced today by James Ralph Wood, president of the company.

Mr. Harwood succeeds the late R. William Archer, who died on April 6.

Mr. Harwood, a native of Fort Worth, was educated at the University of Texas, where he majored in Journalism, later working on the Austin American Statesman, the Brownsville Herald and the Laredo Times. He entered the public relations field in 1930's, and for several years was director of public relations for the Social Security Administration in Texas, Louisiana, and New Mexico. Later he became executive assistant to the regional director of that agency.

He spent three years in the Navy and was discharged as a Lieutenant Commander after 18 months on an aircraft carrier in the Pacific and 15 months at the naval air station, Daytona Beach, Florida. He served as business manager of the Austin Press after the war, and joined Southwestern Life Insuarnce Company on March 1 of this year, as assistant to the late Mr. Archer.

Mr. Harwood is a member of the Episcopal Church, is married, and has a daughter, 6 and a son, 2.

Southwestern Life Insurance Company is represented here by S. E. Brogdon.

Chiropractors Get Bill Through House; May Solve Issues

Passed by the house and sent to the senate after almost four hours debate was a bill to establish minimum educational standards for chiropractors and to create a board of chiropractic examiners. The vote on final passage was 100 to 18.

The bill requires applicants for licenses to have at least graduated from high school or to have such preliminary education as would permit them to enter the University of Texas.

Amendments to the measure prohibited chiropractors from practicing "x-ray therapy" excluded professors of chiropractic colleges from serving on the examining board, and required applicants to be graduates of recognized schools of chiropractic.

Persons engaged in practice of chiropractic as of April 18, 1949, and who hold diplomas would be entitled to licenses without examination.

17 COUNTIES TO SEND DELEGATES TO CAMERON

Delegates to the 10th District Convention of the Texas Home Demonstration Association will be arriving in Cameron Monday night and early Tuesday.

The convention will open at 10 a. m. Tuesday and will be in progress for 2 days.

The district is comprised of 17 counties and more than 100 delegates are expected here for the convention.

Mrs. W. C. Moody, Home Demonstration Agent for Milam county, has outlined the program for the two days.

The convention here will be important since it will map out activities for the clubs forming the association in the 17 county district.

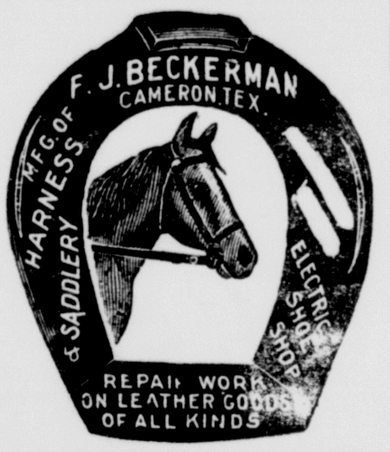
The convention here, from a historic point of view, will be like a home coming since Milam county had the first Home Demonstration Agent in Texas, the late Edna W. Trigg.

Milam county has the oldest Agricultural Agent in the United States, in point of service. He is George Banzhaf, now retired, but still actively interested in Agricultural progress. He is keenly interested in the convention that will open here Tuesday.

Easter holiday guests in the home of Mr. and Mrs. Albert Braden were: Mr. and Mrs. Tip Westbrook and children, Pat and Judie of Milano, Mr. and Mrs. John Brashear of Houston, Mr. and Mrs. Carl Crafton and children, Martha Carl, Jr. Lurline and Michael of Gause, and Mr. and Mrs. Juan Dodson and daughter, Martha of Maysfield.

Miss Vera Fisher, County Treasurer attended church in Gause Sunday.

J. C. Mayfield and W. O. Fisher made a business trip to Temple one day this week.



Earl Bailey who is with the Houston Post in Houston visited relatives and friends in Cameron this week.

Mr. and Mrs. Bernard Barber of Pleasant Hill visited in Cameron a few days this week.

Mr. and Mrs. Adolph Winfield and sons, Bennie and Milton spent the week end in Waco visiting relatives.

Mrs. Tom Turner of Curry visited in Cameron Thursday of the past week.

TRUMAN SUMMONS TP&L HEAD TO CONFERENCE

At the request of President Truman, John W. Carpenter, president of Texas Power & Light Company, will attend a conference of trustees of the Committee for Economic Development to be held in Washington May 10. This Committee will meet with chief officials of the government and be given first-hand information on some of the problems which affect our national life.

Plans are being made for the President to open the meeting, which will begin at 10 a. m. and continue throughout the afternoon. At this time cabinet officers and the heads of independent agencies will discuss their activities in relation to the national domestic economy and the development of "Point Four" of the President's inaugural address. This will be followed by a period of general discussion.

Mr. Carpenter has served as a national trustee of the CED since 1946.

Texas Business Is Swinging Upward; No Recession Now

AUSTIN, April 16—Texas business sailed in calmer waters this week.

There were increasing signs that the current business slump may be only an economic ripple—a possible leveling off from the inflation—but short of recession.

Among the signs:

Report of a 2.6 per cent increase in March retail sales over February.

Snap back in construction from the year's lowest week to one of the year's highest.

Stable banking conditions.

Increasing employment and declining unemployment.

This is the way Dr. A. H. Chute, retailing authority at the University of Texas, saw it:

"There may be good reason to believe, although it is certainly too early to conclude, that the threatened postwar recession has again been postponed for some months, in its more threatening phases.

How to save Time on a party line...

When you're waiting for someone else to finish a call, jiggling the receiver won't help you get the line any faster. Every time you pick up the telephone it interrupts the conversation . . . and that may prolong it. You will save time in the long run if you give the other person a chance to finish his call.

The thing to do is hang up quietly and wait awhile before you try again.

Your party-line neighbor will show you the same consideration the next time he picks up the receiver and hears *you* talking.

Courtesy on a party line pays off in better service for all of you who share it.

ROAD BILL—

(continued from page one)

Hearings on these bills will begin before the Senate Public Works Committee on April 19.

"We are enclosing several copies of a statement which includes a Copy of S. 244, a breakdown of the funds which would be available to each state, and a general outline of the purpose of the bill. The only important difference between S.244 and S. 1471 is the sum authorized for matching grants. Under S. 244 this would be 100 million per year and under S. 1471 it would be 150 million dollars a year. The share of individual states would be correspondingly higher under the latter bill.

"These bills were introduced because we feel that the present program of Federal Aid to Highways cannot provide the type of assistance needed to assist roadbuilding at the rural, local level. Detailed specifications presently applicable make costs prohibitive in many instances, and in a majority of cases all of the available secondary road funds are needed and are now being used for the construction of secondary highways that cannot be termed rural roads.

"If the purpose of these bills deals with any problem you have encountered in building roads in your state, we would like to have your reaction, and your co-operation in securing favorable action by the congress. We will be glad to arrange an opportunity,for appearances before the committee, or for the consideration of any statements from those who will find it impossible to testify in person. We are especially interested in securing evidence of the need for this measure from those at the state and local level, including state and county officials, county engineers, and the actual rural residents who are most familiar with needs and conditions.

"If public sentiment can be shown to be behind this effort, we believe there is a splendid chance to establish a permanent rural road program at this session of Congress. The decision will be primarily in the hands of those at the local level, and we are counting on you for support."

Senator Vick says it is highly important that people all over the county write in support of these bills and to do so at once.

"Beautena" Must Make 250 Pounds In Four Months of Feeding

"Beautena" a jersey calf weighing only 133 pounds has been placed under a feed diet at Fuchs Bros. Feed store in Cameron.

The calf will be fed Purina Calf Startena for a period of four months and at the end of that time Beautena is due to have a more or less middle age spread for she is supposed to weigh 250 pounds.

Beautena can be seen any day munching away on Purina feeds. Fuch Bros. are demonstrating the value of their feed. The calf was purchased from Chamberlain's Dairy and is a Jersey. Jersels are not beef cattle so if little "Beautena" makes her weight mark within four months it will be a very fine demonstration of the value of Purina Calf Startena.

Milam County Has Elected 18 Sheriffs Since Year of 1874

This newspaper is indebted to Grady Allen, District Clerk, for a listing of officials who have served the county since 1874.

The county was organized prior to that time, in fact some 34 years prior, but the records may have been destroyed or do not reveal the older officials. Caldwell in Burleson county was at one time the county seat of Milam. That was before the county had been stripped of much of its original territory.

Mr. Allen has listed the names of the Sheriffs, District Clerks and District Judges and these will be printed in time.

Here is the list of the Sheriffs since 1874:

W. E. Mitchuson, from 1874 to 1876.
W. Livingston 1877 and 1878.
John B. Wolf 1879 and 1880.
Wyatt Lipscomb 1881 to 1886.
A. J. Lewis 1887 to 1890.
John H. Bickett 1891 through 1896.
Robert Todd 1897 through 1902.
Giles Avriett 1903 and 1904.
Robert Todd 1905 and 1906.
J. E. Holtzclaw 1907 through 1910.
Allen Hooks 1911 through 1918.
L. L. Blaylock 1919 through 1922.
D. S. Rogers 1923 and 1924.
L. L. Blaylock 1925 through 1934.
R. M. Kennedy 1935 through 1940.
Valter White 1941 and 1942.
Mrs. Sarah White 1943 and 1944.

Carl C. Black elected in 1945 is the present sheriff and has served 5 years and his term will end on January 1, 1951.

The county has had only one woman sheriff. Mrs. White was appointed when her husband, Valter, left the office to enter the army in the late war.

L. L. Blaylock held the record for the long term. He succeeded Allen Hooks in 1919 and served 4 years. He was re-elected in 1924 and served 10 years a total of 14 years in the office.

PEOPLE MAY VOTE ON MEASURE IN SEPTEMBER

AUSTIN, April 18—Proposed legislation to abolish the poll tax requirement for voting broke through more than five hours of filibustering tonight to gain final Senate passage, 25 to 2.

Senator Wardlow Lane of Center talked against the proposal from 3:00 p. m. to 8:36 p. m. With one 25 minute break.

Poll tax measure proponents beat down every attempt at crippling amendments. It moved through final passage with only one change—that to set popular election on the issue for the last Saturday in September of this year instead of the last Saturday in August. It goes now to the House where it must gain a two-thirds approving vote before it can be submitted to state voters for final action.

Lane fought the proposal with two proposed amendments—one to permit levy of a $1.50 registration fee for voting and the other to permit levy of a fee to pay the cost of the election — and thousands of words of talk, reading and argument.

RAPIST BOND CONTEST HEARING ON SATURDAY

Jimmy Smyth, 26 year old Hearne man, charged with the rape of a teenage Gause girl March 22 has been held in the Burleson County jail at Caldwell since March 26.

Sheriff Carl Black who arrested Smyth has been summoned to appear in Caldwell April 16 at 10:00 a. m. as a witness. Leslie D. Williams, a Brenham lawyer, has institued Habeas Corpus proceeding in the case in an effort to secure bond for Smyth.

The defendant has been held in default of bond and it was indicated by his attorney that the bond would be contested. It was not known here how much was demanded by the court in bail but it is presumed that Smyth was unable to make bond and efforts will be made to get it lowered.

The rape occured at night on highway 36 in Burleson County. On the night it was reported Sheriff Black went to Hearne and arrested Smyth. Later it was found the rape was not committed in Milam County.

Mrs. Alma Hilderbrandt of Houston was a welcome visitor in Cameron last week. She also visited relatives and friends in Milano while here. Mrs. Hilderbrandt is a former resident of Milano.

ALLEN MCASHEN BURIED IN HOUSTON TUESDAY

Allen McAshen died at his home in Houston Sunday afternoon from a heart attack.

Funeral services were held at their home in Houston Tuesday with burial in a Houston cemetery.

Mr. McAshen is survived by his widow and two sons, Allen, Jr. and Johnny. He is a brother-in-law of Miss Minnie Wohleb and Alfred Wohled of Cameron. He has a host of other friends in Cameron who mourn his death.

The deceased was born in Houston and was married to Miss Ann Wohleb of this area many years ago. At the time of his death he was with a prominent Insurance Co. in Houston.

Kenneth Marak Will Make Tour With Senior Classmates

Kenneth Marak, Texas A&M Senior, is home for the week end to visit with his father and mother, Mr. and Mrs. J. L. Marak on West Main.

He is to graduate in Architecture this summer and will be one of a number of Senior students on the tour of Eastern United States, beginning next week.

A group of twenty-four Senior Architectural students of Texas A&M will leave the college Monday, April 18 for a survey trip to the Northeast coast. The purpose of the trip is to inspect the modern Architecture of that section of the United States, to interview leading architects and to record points of interest on film.

The route will cover Little Rock, St. Louis, Chicago, through Michigan, around the Great Lakes in Canada to Niagra Falls, to New York City (spending four days in the city). From New York to Boston, then back through New York State to Cincinnati, and back to St. Louis.

Sponsors of the group have contacted architects on the route in this section and in several cases have been invited to their homes for conferences and will be guests at luncheons given in their honor. They will visit homes which have been designed by these great men in the field of Architecture as well as famous Universities which teach architecture. Among the universities on the itinerary will be Harvard and Cranbrook.

HIGHWAY CRASH TAKES LIVES OF 3 SUNDAY

Two were killed and another fatally injured in a highway crash between Belton and Killeen Sunday night.

The dead are Patrolman L. W. Dickson of Belton, Private Alfred C. Bibb of Camp Hood and Patrolman B. J. Mahoney of Belton.

Benjamin McCarver civilian employee of Camp Hood was seriously injured.

Patrolman Mahoney who was fatally injured, died in a Temple Hospital early Monday while Patrolman Dickson was instantly killed in the crash.

The accident occured as the patrolmen were speeding to the scene of another wreck near Nolanville. Their car crashed into a truck-trailer loaded with 38,000 pounds of wheat and driven by M. R. Miller of Brownwood.

Private Bibb was instantly killed in the wreck which occured at 6:30 p. m. and to which the patrolmen were on their way to investigate.

The deaths climaxed a week end of violence in this area. Others were injured in crashes on Highway 36 near Cameron. This highway is becoming increasingly dangerous to traffic since its course is so crooked.

Plans for its reconstruction will remove these hazards since the road will have a new survey in places where it is now dangerous.

Two accidents have occured on Highway 77 at Splawn, one resulting in a fatality, due to a hazard in the highway.

Dinner Party For Friends At Esslinger Home Here Sunday

Sarah Esslinger and Virginia Graham were hostesses to a dinner party at the Esslinger home Sunday night at 7:30, April 17, in honor of Margaret Matula and Earl Esslinger.

The following school friends of the two attended: Lane Horstmann, Billie Black, Albert Rettig, Frank Matula, Marion Brewer, Helen Esslinger, Doris Triplett, and Patsy Esslinger.

A four course dinner was served from a lace covered table with a lovely centerpiece of red carnations and fern. In the living room were bouquets of red roses.

Games were played following the dinner.

The honor guests were presented with a silver knife and fork of her chosen design.

4-H Girls 13 Clubs Presidents Attend Austin Style Revue

The presidents of the 13 girls 4-H clubs in Milam County were given the opportunity to attend a Simplicity style show in Austin, March 16. Nine clubs out of the 13 attended being represented by the following girls: Dorothy Gaines, Curry Club; Mary Ann Vanza, Marek Club; Billie Vaughn Bailey, Gause Club; Bobbie Jean Curlee, Rockdale A Club; Juanita Gest, Rockdale B Club; Doris Jean Swanzy, Burlington Club; Betty Morgan, Milano Club; Ann Welsh, San Gabriel Club; Martha Adams, Thorndale Club.

The group left Cameron around 9:00 a. m. and returned at 5:00 p. m. They were accompanied to the show by Mrs. Isabelle Moody, Agent and Mrs. B. Heitman.

The style show entitled Fashion Notes was presented by Miss Marshall of New York representing the Simplicity Pattern Co. Miss Marshall was a 4-H Club girl for eleven years, majored in Home making in College and is now employed by the Simplicity Pattern Company to go over all the U. S. and present these shows to 4-H club girls.

The Simplicity Pattern Company sponsor the National Dress Revue Contest offered 4-H girls in which some of our Milam County girls plan to enter. The 4-H girls from the various counties present did the modeling at the show. The guest models from Milam County were Betty Morgan of Milano and Martha Adams of Thorndale. Betty modeled a very becoming royal blue light weight wool cape suit with a red and white polka dot blouse. The cape was lined in the polka dot to match. She also wore a blue turban. The suit was a perfect fit and was just the right choice for Betty.

Martha wore a sun dress in eye-catching plaid with matching stole for sun wear and playtime.

It was the duty of each girl present to bring back a report to their club, giving to their club members the information they obtained at the show.

TWO DAY SESSION TO BRING MANY TO CITY

Registration of delegates to the Texas HDA convention for the 10th District was in progress during the forenoon Tuesday.

It was expected that a 100 delegates would be here by Tuesday night for the main work of the meeting Wednesday.

Registration was due to continue through 5 p. m. Tuesday but during the afternoon a program of welcome was to be given.

Mrs. R. L. Campbell of Wildorado, Texas, is President of the 10th District Association and Mrs. T. J. Ludwick of Bland, Texas, is Vice President of the Association.

The convention proper opened at 1 p. m. in the District Court Room at the court house with group singing led by Mrs. Carroll Green who at one time was a Home Demonstration Agent.

Max McClaren was at the piano and would assist with the music throughout the convention which will end here Wednesday afternoon.

Mrs. J. E. Septek of Burleson county Association was on the program for the invocation as the convention opened.

Judge Dan Tyson, County Judge of Milam county, gave the welcome address. He pointed out the interest that the Commissioners Court here has in the Farm Club movement and the work that was pioneered in this county. He gave the delegates a warm welcome to the city.

Mrs. Vernod Burndige of Williamson County Association, responded to the address of welcome in behalf of the 10th District Association.

Mrs. T. J. Ludwick, Vice President of the 17 County Association, introduced Judge W. A. Morrison who delivered the principal address on the afternoon program.

Leon County delegates conducted a program called Pepper Upper and this was followed by a more serious side for the program.

A series of talks grouped under the geenral heading of Work Shops found Miss Bonnie Cox, District Agent discussing Legislative needs.

No. 2 was Mrs. Robert Lange, Chairman of the THDA Education Committee, stressing the need for wider information on the importance of work among farm women and their organization.

Mrs. Ludwick, Vice President, gave a fine discussion on the Texas Home Demonstration Association in District 10.

This was followed by a report from the Committee on registration and the report from the Vice President.

Announcements preceded adjournment shortly after 3 p. m.

The Recreation Program for the convention would be directed by Milam and Robertson County delegates in the basement of the Methodist Church Tuesday evening.

The Wednesday session will get under way at 9 a. m.

Marlin Boosters To Be Here Monday

A Caravan of Marlin Empty Saddle Club Good Will Boosters will arrive in Cameron at 12:10 p. m. Monday, April 18, to advertise their horse show which will be held in Marlin on Thursday and Friday, April 21 and 22.

A parade will be held each day of the show at 4 p. m.

Mr. and Mrs. Alvin Dorner and daughter Kathie Jean of Haskell are here to spend the Easter holidays visiting Mr. and Mrs. Albert Dorner and Mr. and Mrs. McCarty and other relatives in Cameron.

Mr. and Mrs. Bill Marek and Mrs. Steve Macal visited in Lampasas and Buchanan Dam Sunday.

Mrs. Maude Pratt and Mrs. Christine Swendle of Temple visited Mrs. Dan Lunsford and family Saturday.

MRS. ANTON KOHUTEK FUNERAL WEDNESDAY

Mrs. Anton Kohutek, 73, died at the home of her daughter, Mrs. Homer Fuller in Houston Monday evening, April 18.

She had been ill for the past 3 months.

Funeral services for Mrs. Kohutek, former resident of the county, will be held from the chapel of the Green Funeral Home in Cameron at 2 p. m. Wednesday, April 20 with interment in Oak Hill Cemetery.

Surviving are: two daughters, Mrs. W. H. Gilbert of Buckholts and Mrs. Homer Fuller of Houston; four sons Rudolph and Willie of Cameron; Edwin of Temple and Charlie of Buckholts.

Five sisters survive as follows: Mrs. Mattie Baca of Seaton; Mrs. Joe Reznicek of Zabcikville, Mrs. Jim Salach of Cyclone, Mrs. Joe Doscikal of Cycle and Miss Millie Manah. Three brothers survive as follows: John, Willie and Joe Manah of West.

Mr. and Mrs. Marvin Pratt and sons spent the week end in Somerville visiting Mrs. Pratt's relatives.

11 District Judges Have Served Milam Judicial District

Since 1874 eleven District Judges have served the 20th Judicial District, Milam County, according to the records. Grady Allen, District Clerk, has compiled a list of the Judges and their terms of office as follows:

S. A. Broaddus 1874 and 1875.
Spencer Ford 1876 to 1880.
W. E. Collard 1881 to 1886.
John N. Henderson 1887 to 1894.
W. G. Taliaferro 1895 to 1900.
J. S. Scott 1901 to 1916.
John Watson 1917 to 1931.
Graham Gillis 1932 to 1943.
O. L. Kidd 1944 to 1945.
John Watson 1945 to 1949.

W. A. Morrison, the present judge began his duties on January 1, 1949.

Judge Watson who voluntarily retired from the office on January 1 holds the record for length of service on the bench. In all he served 18 years. Since he retired last January Judge Watson has re-entered the practice of law here.

Miss Sue Cook of Galveston is spending an extended visit in the C. F. Angell home near Hoyte and with other relatives.

Friends will regret to learn that Mrs. D. B. Worchester of Temple is quite ill at the home of her son, E. D. Worchester. Her daughter Mrs. W. H. Gregg of Bryan is attending her bedside.

Mrs. C. E. Strickland and daughter, Billy Jean spent the Easter holidays in the home of Mrs. Strickland's sister, Mrs. Tom Jeter. Mrs. Strickland and Billy are from Topeka, Kansas where Billy is a student at Washburn University.

W. C. Rodenbeck, business Associate of Thorndale Feed & Grain Company transacted business in Cameron Wednesday.

Newsprint Goes Up!

Newsprint continues a critical item with publications throughout the United States.

Despite the tapering off of prices and sporadic declines in certain commodities, mainly metals and wood productions, paper has continued to be high and going higher.

The newsprint industry has only been able to increase its delivery position. It has not been able to think about cutting prices.

Newsprint has advanced as much as $20.00 a ton in the past 30 days.

Despite inflation newsprint has not reached the level of 1920. Then flat tonnage news was paid for at the rate of 15c per lb. or $300.00 a ton by The Herald.

Newsprint prices to-day are in the neighborhood of $200.00 per ton and going up. Frankly we cannot see the end.

Subscribers will get reduced subscription prices, not this year, nor perhaps next year, but only when newsprint comes within economic possibilities to bring about reduced rates.

MILANO NEWS

The reburial services for Pfc. Walter Miles Roskey, 25, son of Mrs. O. H. Roskey of Chriesman was held Saturday afternoon at 3:00, at the First Methodist church in Chriesman Burial was made in Chriesman cemetery by Phillips and Luckey from Rockdale. Pfc. Roskey was killed in Germany in 1944. He is survived by his mother, Mrs. O. H. Roskey of Chriesman, two sons, Billie and Walter Jr. of Caldwell: two sisters, Mrs. Red Carroll and Mrs. Frank Spruill of Caldwell; four brothers, Norman Roskey of Pauls Valley, Oklahoma, Vernon Roskey who is in the Army stationed in Iowa and James and Henry of Chriesman. He was a nephew of L. E. Furgeson and Mrs. Dan Robinson of Milano and had a host of other relatives who mourn his passing. Those attending from Milano were Mr. and Mrs. L. E. Furgeson, Mrs. Dan Robinson, Mrs. Bessie Brennan, Ray Woods, Mr. and Mrs. Wesley Woods and Mrs. F. W. Ilanes and Mrs. Clarence Sims.

The Sunrise prayer meeting held by the Methodist pastor Sunday morning was very pretty and impressing. He selected a beautiful site out on a rock hill near town where he erected a large white cross. The Lord's Supper was administered. Special music was also presented.

Sunday guests in the home of Mrs. Maggie Miller were: Mr. and Mrs. Elliott and son of Cameron, Mr. and Mrs. Ray Miller and children of Milano, Mr. and Mrs. Jistel and children of Tracy, Mr. and Mrs. Reese and children of Liberty and Mr. and Mrs. Curtis Miller of Milano.

A SALES FABLE

A lion met a tiger
As they drank beside a pool.
Said the tiger, "Tell me why
You're roaring like a fool."
"That's not foolish," said the lion,
With a twinkle in his eyes.
"They call me king of all the beasts
Because I advertise."

A rabbit heard them talking,
And ran home like a streak.
He thought he'd try the lion's plan,
But his roar was just a squeak.
A fox came to investigate—
Had luncheon in the woods.
Moral: When you advertise,
Be sure you've got the goods.

Miss Almarie Brady and Lester Goree Smith Are Married At First Methodist Church in Cameron at 5 O'Clock Sunday Afternoon

Miss Almarie Brady and Lester Goree Smith were married at First Methodist Church, at five o'clock in the afternoon, Sunday, April 17, 1949. The bride is the daughter of Mr. and Mrs. Charles A. Brady, and the groom's parents are Mr. and Mrs. Frank Smith of Bryan.

Dr. S. L. Joekel, cousin of the bride and Professor of Bible at the Presbyterian Theological Seminary in Austin was assisted in reading the single ring ceremony by Rev. Lee Lemons.

Standard baskets of white stock and fan shaped arrangements of Woodwardia fern decorated the Altar, with bouquets of white stock placed at vantage points.

A program of soft nuptial music was rendered by the organist, Roy McDermott, and the soloist, Tom Cole, director of music at First Baptist Church sang, "I Love You Truly" and "Because".

The bride wore a gown of white slipper satin fashioned of imported marquisette, with a portrait neckline, en elongated bodice and petal point sleeves. The bouffant skirt was designed with a slight bustle and terminated into a cathedral train. She wore a lace veil which had been worn by her aunt, Mrs. Emil Hilsberg in her wedding. The veil depended from a heart-shape attachment and fell into a slight train. She carried a bouquet of Easter lilies and French net tied with satin streamers.

Miss Andrea Brady was her sister's maid of honor, and the bridesmaids were: Misses Gwen Nerren of Lufkin and Frances Bates of Garland ,both were college mates of the bride. Attendants were identically dressed in pale blue marquisette with chantilly lace shoulder ruffles and inserted panels of lace in the full gathered skirt. They wore slightly above the elbow length gloves and carried colonial bouquets of yellow iris tied with satin ribbons in varigated colors.

Jack Beasley served the groom as best man, and groomsmen were: Bob Whitley, Travis Price and Ralph Beal all of Nacogdoches and Travis Nelson if Bryan.

Immediately following the wedding a reception was held on the lawn at home of the bride's parents where approximately 200 guests registered. The brides table was covered with white linen with a centerpiece of Easter Lillies, white stock and white sweet peas and fern. The three tiered wedding cake, topped by miniature bride and groom was cut by Mrs. Ralph Koepf, and Miss Marion Brewer served lime sherbert punch. Also assisting at the table were Misses Edith Walton, Lynn Skelton and Patsy Esslinger. Mrs. Nick Brennan of Lexingtin presided at the bride's book and Mrs. Leroy Thompson showed the gifts. Mrs. Ben Reichert was also in the house party.

The bride's mother wore a grey embroidered linen frock with matching accessories and a white iris corsage. Mrs. Smith, the groom's mother was dressed in black and wore a white iris corsage.

For travel the bride chose a smart grey gabardine suit with a frilly pink blouse, pink gloves, a flower trimmed hat and a pink orchid corsage.

Mrs. Smith was reared in Cameron where she graduated from Yoe High School after which she attended TSCW at Denton. For the past year she has been employed with The Cameron Enterprise in Cameron.

Mr. Smith is a graduate of A&M College with a degree in Marketing and Finance. He is a veteran of World War II ,having served in the U. S. Navy for some time. He has been Manager of the Cameron Chamber of Commerce for the past two years.

After a wedding trip to Carlsbad, New Mexico and other points of interest they will be at home, at 505 North Travis.

Those from out of town included: Mr. and Mrs. Emil Hilsberg, Mr. and Mrs. Herman Hilsberg, Mr. and Mrs. Carl Bihort and children, Carolyn and Murry all of Giddings, Mr. and Mrs. Lawrence Brady and son, Lawrence David of Hearne, Mr. and Mrs. Jack Godwin, Mr. and Mrs. Taylor Wilkins and children, Mr. and Mrs. Emmitt Smith, Mr. and Mrs. R. Smith and children all of Bryan, Dr. Joekel and son, Mr. and Mrs. Edwin J. Pfluger and Jim, Mr. and Mrs. Martin Kilian and Mr. and Mrs. Jesse Coward and Jesse, Jr. all of Austin and Mr. and Mrs. Nick Brennan of Lexington. Also from Bryan were Mr. and Mrs. Si Jackson, Dudley McDaniel, Mrs. H. L. Whitley, Sr. and Mrs. B. L. Beal.

Margaret Ann Turner And Billy Van Freeman Married In Graham

Miss Margaret Ann Turner of Graham and Billy Van Freeman of Maysfield were married Saturday evening, April 16, 1949, at The First Methodist Church in Graham.

The bride is the daughter of Mr. and Mrs. R. C. Turner of Graham and the groom is the son of Mr. and Mrs. W. C. Freeman of Maysfield.

The Rev. Gordon Alexander of Overton, uncle of the bride, assisted by the Rev. Joe I. Patterson read the wedding vows.

The bride wore a Victorian type wedding gown of blush satin designed with a portrait neckline and long fitted sleeves which tapered to a point over the wrists. Chantilly lace edged the skirt which fell over hoops into a full-length train. Her fingertip veil of blush illusion was caught to a tiara of chantilly lace, and she harried a shower bouquet of pink Camillias and lilies of the valley.

Mrs. Mary Bob Turner of Graham was maid of honor, and bridesmaids were Misses Caroleen and Carvel Turner both of Graham; Miss Bettie Freeman of Ennis, and Miss Connie Dolph and Miss Jo Anne Brindley both of Dallas.

John Freeman of Dallas attended his brother as best man. Groomsmen were: Henry Amlin of Dallas, Raymond Jeffers of Houston, Ted Couch, Fort Worth, Heywood Clemens of San Antonio and Henry Kinnaird of Goose Creek.

A reception was held after the ceremony at the home of the bride's grandmother, Mrs. C. B. Turner. Mrs. I. J. Howell presided at the punch service and Mrs. Gordon Alexander and Miss Jane Freeman served the cake.

After a wedding trip to San Antonio the couple will make their home in Cameron.

Mrs. Freeman is a graduate of Southern Methodist University where she was a member of Delta Delta Sorority, Psi Chi and Pi Lambdo Theta.

Mr. Freeman is also a graduate of SMU and attended Lon Morris Junior College before attending Southern Methodist University. He is a veteran of World War II, having served three years in the Navy.

Among those attending from out of town were: Mr. and Mrs. W. C. Freeman of Maysfield, Mrs. J. C. Freeman, Mrs. Tyson Freeman and Beverly Freeman also of Maysfield, Mr. and Mrs. D. L. Couch and Mrs. Ted Couch of Fort Worth, Mr. and Mrs. R. A. Jeffers of Houston, Mr. and Mrs. Heywood Clemens, San Antonio, Mr. and Mrs. J. W. McCormack and Peggy Louise McCormack of Kansas City and Mr. and Mrs. W. E. Turner of San Antonio.

Lena Marie Crouch And J. Milton Tucker Married April 16

Lena Marie Crouch and James Milton Tucker were married Saturday, April 16, at 8:00 o'clock, at the home of Rev. P. L. Caperton. The couple were attended by Mr. and Mrs. Wendell Cryer of Cameron.

The bride chose a lovely brown linen street length dress with red accessories and wore a white carnation corsage. Mrs. Cryer was dressed in a black dress with black accessories and a white carnation corsage.

Mrs. Tucker is the daughter of Mr. and Mrs. L. B. Crouch and is employed at New Cameron Drug. Mr. Tucker is the son of Mr. and Mrs. Walter Tucker of Cameron. He served several years in the army during World War II, and is now employed in Cameron.

Mrs. R. J. Woodum Is Hostess to Pleasure And Profit Club Here

Mrs. R. J. Woodum was hostess to the Pleasure and Profit Club Thursday afternoon with Miss Ada Margaret Smith as co-hostess.

Rev. Wendell Carr was guest speaker. In 1945 when he was stationed in Italy he was privileged to visit the Holy land and it was this trip that he reported so interestingly to the Club members. A mother of pearl locket, a hammered silver pin were among the souveniers shown. Pictures were exhibited and explained.

Spring potted plants formed the decoration.

A refreshment plate with white cake squares, fruited punch and tiny easter eggs were served.

The club adjourned to meet with Mrs. Herbert Nance April 24.

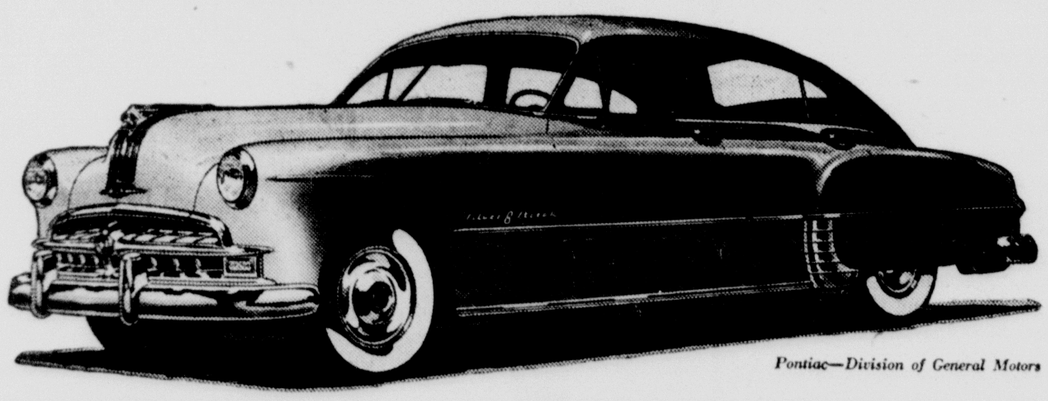
The New '49 PONTIAC



Pontiac—Division of General Motors

The Most Beautiful Thing on Wheels!

We are, of course, very proud and happy that people everywhere are calling the new Pontiac "the most beautiful thing on wheels." Pontiac *is* a brilliantly beautiful automobile—as handsome a car as ever rolled over America's streets and highways.

But Pontiac's *real beauty* cannot be fully appreciated until you *drive* the car yourself. For the new Pontiac is *beautifully engineered*, too—to give you a completely different kind of automobile performance that simply must be experienced in order to be believed.

Pontiac for 1949 offers a totally new kind of ride—a ride as smooth and effortless and comfortable as a car can be. And either of Pontiac's famous engines, six- or eight-cylinder, is a sweetheart for power. Remember, too, Pontiac is the lowest-priced car in the world offering the ease of Hydra-Matic Drive. Available on all models at extra cost.

Take a long look at the next new Pontiac you see—then come in and give the car a really thorough examination. That's the way really to appreciate why people are calling Pontiac "the most beautiful thing on wheels."

11 Drunks Are Fined In Corporation Court

Cameron has had an epidemic of drunkiness and disorderly conduct, it was reported today by Jim McGoldrick, City Marshall.

Mr. McGoldrick said that he had filed eleven cases within the past three days. All were charged with being drunk and disorderly in a public place.

All had paid their fines and has been released with the exception of three and they are doing old fashioned road duty on the streets.

The recorder of the corporation court imposed the usual $2.00 fine which goes to the City. Costs in these cases made the total charge $15.00. The cost goes to officials in fees.

Agnes Mayer of Ocean Side, California spent the week end visiting her parents, Mr. and Mrs. V. Mayer and other relatives in Cameron.

The Indians Express It Well; Honors For Burleson Educator

"Noble Friend of Indians and Exponent of Mercy and Love," is the new Indian name presented by an eminent Oklahoma Indain to Eugene Clyde Weafer, Burleson county educator, formerly on the staff of Blinn College, Brenham, and now living at Teec Nos Pos, Arizona.

The title came as the result of the nationwide publicity recently given the activities of the Weafer family among Navajo Indians in a remote section of the reservation where Mr. Weafer is doing educational work and research.

The Navajos themselves have given Mr. Weafer a nickname "Hosteen (Mr) Many Kids," which is significant because the Navajos have a high regard for people with large families. The weafers have five preschool children.

Mr. Weafer was at one time a federal social worker for Milam County with sub-office in Cameron.

Eugene Kenedy and Addie of Bryan were week end guests of Mr. and Mrs. Frank Richards of Cameron. Monroe Kennedy of Houston is also visiting in the Richards home a few days this week.

Armory Site Fund Canvas Moves Along

At noon Thursday L. G. Smith, manager of the Chamber of Commerce, reported that a total of $3667.30 had been raised on the obligation to buy the site for the National Guard Armory here.

The figure is short of the goal by about $300 and it was expected that the whole amount would be raised by the end of the week.

The drive moves along. In its late stage contributions are slow but solicitors are canvassing those who were not seen in the beginning.

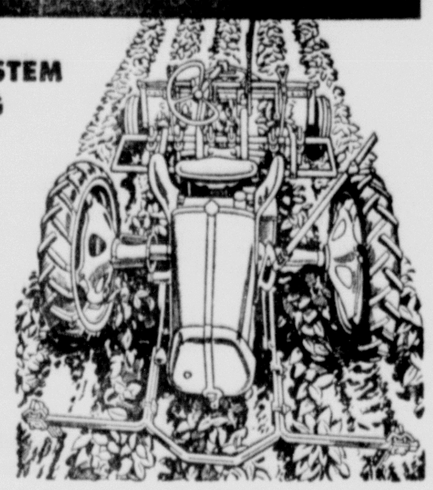
Plant and Cultivate
SOYBEANS IN 20-INCH ROWS

A PROFITABLE SYSTEM FOR GROWING SOYBEANS



Here is a practical method of handling soybeans in 18- to 20-inch rows, three rows at a time—made possible by the rear-engine Model G with power-driven seeder and 60-inch tool bar cultivator.*

Narrow rows give you these advantages:

1. Easier weed control—beans can be safely cultivated when small. Cultivator exactly matches planter row width.
2. Faster, cleaner and easier harvesting.
3. Bigger yields. (Official tests show 2 to 4 bu. per acre more.)

*On clean fields and light soils, the independent gang cultivator may be used.

The extra bushels from narrow spaced rows will soon pay for the Model G seeder and cultivator used with this system. Stop in and talk it over.

Leader Department Store Installs New Air Conditioning

The Leader Department Store now managed by Mrs. Joe Luce is occupying the stage of buying interest this week with bargains that have the new look in economy.

The Leader has completed installation of a new air conditioning system, it was announced to-day by Mrs. Joe Luce, manager of the store.

The system, one of the most modern in this part of the state is a Worthington unit, large and powerful. It can be controlled to any suitable temperature and this system will enable the people of Cameron and surrounding territory to shop in comfort and get relief from the sun, heat and humidity of the streets in summer.

The Leader is well pleased with results as a new arvertiser in this newspaper and customers can get copies of the Daily Midget at the store.

The new air conditioning unit was installed April 1. The unit supplies cool and odorless clean air at all times. The well known shopping advantages of the store were never better emphasized than in the current sale.

COURT—

traffic offered and reasonably expected to be offered would not pay the cost of operation and a reasonable return upon the property involved in the service.

One train daily each way was operated by the company.

Losses sustained by the railroad according to its report, totaled more than $12,000 in 1945, $13,000 in 1946, $25,000 in 1948, and $20,000 for the first eight months of 1948.

"On short trips, say up to 200 miles," said the Appeals Court decision, "a very small part of those who travel use the train.

"The primary reason for this is good roads, good cars and a schedule of one's own making.

"Few of those who so travel know or care if the train operates over the route they intend going; they neither know nor care whether the train coach is modern or not; they are not interested in when the train leaves or when it returns," the court wrote.

TRADE SCHOOL—

ing facilities for the colored students as well as instruction for them in order that they may secure the very highest type of training in the field of welding.

The school is located at 509 West 8th Street in Cameron, Texas, a city of some 6000 inhabitants. The physical area of the school structures consist of some 2600 square feet of floor space. The school shop is located in a brick building and the classroom space is provided in a wooden structure adjacent to the work shop. All school operations are conducted in the most modern Structures obtainable in this area.

Mr. W. B. Brazelton, the Director of the Cameron Trade School has had extensive experience in organizing and operating trade schools. He has also had a wealth of experience in employing, training and supervising personnel in the business world.

An inspection of the school premises is always welcomed and it is the endeavor of the Cameron Trade School to prepare its students for the business world and make them an asset to the community in which they live.

Kathy At Rest Beneath Arm Of Whispering Pine

CHULA VISTA, Calif., April 13—Kathy Fiscus sleeps tonight under the evergreen arms of a whispering pine tree.

But for her—"there is no night, and no pain."

That was the consoling assurance of the minister who committed her little body to the earth today.

The farewells to Kathy, at Alhambra funeral service and burial here, were like her life—short and beautiful.

The minister thanked God for her. "Bless thee for the kindness, goodness and gentle truth that passed into our lives from hers."

Seven hundred mourners, besides relatives, filed past Kathy's blue plush casket.

They symbolized the world-wide sorrow expressed for three-year old Kathy after she fell 92 feet down a 14-inch pipe last Friday in nearby San Marino. There were men and women bent with age; boys in faded jeans; and tots Kathy's age in their mothers' arms.

Elizabeth Hubnik of Route 2, Burlington, daughter of Mr. and Mrs. August Hubnik is ill and a patient in Newton Memorial Hospital.
